To All Our Valued Customers:

As you are all aware, we are experiencing an unprecedented business environment as a result the COVID 19 situation. The team at Conforms/Essex/Ultra Tech want to communicate clearly and transparently what is happening within our organization.

We have taken numerous precautionary measures to ensure the health and wellbeing of our employees, in addition to assessing the impact of COVID 19 on our supply chain.

All our global facilities are fully operational, productivity and output remain excellent. We are shipping our products to you as planned and on schedule. Our global supply chain remains stable and functioning; we have more than adequate inventory within our system and currently see no pending issues with supply.

We will remain in contact with you, and provide updates if changes were to occur. At the same time if you are experiencing delivery and supply issues with any of your other suppliers please reach out to us and we will immediately try to assist your organization.

We send you our well wishes that you weather these unprecedented circumstances safely. Thank you for your business, attention and collaboration.

Sincerely,

Tom Hamilton

President
